

**One Week Workshop on
"SPSS for Social Science Data Analysis"
February 11-17, 2019**

**Organized by
Department of Psychology, P.N.G. Govt. P.G. College, Ramnagar, Uttarakhand
in association with
Indian Academy of Health Psychology & Institute of Social Development**

Analysis of data is an important part of research activity. When data size is sufficiently huge manual analysis is difficult and it consumes a lot of time. However, a number of computer software are available use of which not only makes the job easier but also consumes less time, increases accuracy and can handle a huge size of data.

SPSS is such a software use by researchers for data analysis. Researchers need a firsthand experience of scope and facilities of the software and how it can be used in their research work to increase the quality of their research.

Objectives of the Workshop

- To help the participants to familiarize with the statistical concepts.
- To train the participants in data entry through SPSS.
- To train the participants in scale construction.
- To help the participants in descriptive and inferential analysis

Target Group- PG Students, Research Scholars, Post Doctoral Fellows, Project Fellows, NGO workers, Teaching Faculties of universities and colleges

Number of Participants: 30

Venue: P.N.G. Govt. P.G. College, Ramnagar, Uttarakhand

Registration Fee:

Participants Category	Early Bird (Upto January 20 th , 2019)	Regular Registration (Upto January 31 st , 2019)
PG Students and PhD Scholars (Without Fellowship)	Rs. 2000	Rs. 2500
PhD Scholars (With Fellowship)	Rs. 2500	Rs. 3000
Faculty and Professional	Rs. 3000	Rs. 4000

Fee Payment Details- Bank- Bank of Baroda, Name of A/C holder- Rupali Joshi
A/C No- 27730100010193, IFSC -BARB0PBBHAL

Workshop Pedagogy: The program has been designed to make it highly interactive, which includes exercises, activities and laboratory sessions. The program will be facilitated by experienced faculties drawn from different universities and research centers.

Monitoring and Evaluation: Monitoring and evaluation will be done through obtaining both qualitative and quantitative feedback from participants. The feedback would be very important for providing insight and refining the objectives and methodology during the workshops.

Important Note-

1. Participants have to carry their own laptop for this workshop. It is mandatory.
2. Participants will have to bear their own travel, boarding and lodging expenses.
