STUDENT SATISFACTION SURVEY REPORT 2015-16

The IQAC of the College has framed a feedback system from students with the help of the Faculty of Psychology. The feedback questionnaire designed covered three major areas; the curriculum, the teacher-student relationship and the administrative aspects of the college. The feedback is taken from the students of all the three faculties, i.e., Arts, Science and Commerce. The feedback given by the students makes provision for privacy and so the students can express their views freely, without hesitation. Efforts are also made by the IQAC in consultation with Principal, to bring about improvement in the academics and administration of the college on the basis of the feedback by the students. In the year 2015-16 the feedback report depicted that the students are of the view that the syllabus studied by them is mostly adequate but it is neither competitive nor challenging. The completion of syllabus is also usually 55-70%. The teaching hours assigned for the syllabus is however adequate but, the books available for the students are ordinary and poor. The preparation of the teachers for the classes is thorough and satisfactory, the communication skills of the teachers was judged good by the students in their feedback. The teachers encourage the students by practical knowledge, they provide proper advice to the students and mostly their approach towards students is courteous.

The college has a system of internal assessment evaluation. The students feedback depicted fairness in the internal assessment. The teachers provide feedback on students' performance regularly along with helpful comments. Assignments given to the students are discussed with the students which provide additional help to the students. The college also has many extra-curricular activities in which students participate actively. The college provides timely administrative help to the students. But on the front of Cleanliness of classrooms, cleanliness of toilets, availability of the toilets and drinking water there is need for improvement. Overall the performance of the college is found to be student friendly, transparent and fair.
